Teej Song Game: Each team was given a Teej-related word, and they had to sing a song containing that word. It was a fun and entertaining activity enjoyed by all.

The evening was made even more exciting with fun-filled events that created an atmosphere of anticipation and cheerful moments:

Teej Tambola: A fun Teej-themed Tambola was organized, where everyone participated enthusiastically and enjoyed the game.

No Teej Queen this time as we wanted all of them to feel special.

Teej Picture Game: A picture-based game related to Teej was also organized, in which everyone took part and had lots of fun.

At the end there were 5 lucky dips; and that was an exciting moment for all the ladies. On their arrival, all were welcomed with rose petals, teeka, roli and ittar; each one of them was given slips of their names that were put in a bowl at the entrance, which were the lucky draws.

Guests enjoyed a sumptuous spread of Dilli chaat and delicious snacks, followed by lively music, dance and entertaining games.

It was a wonderful celebration of tradition, friendship and community — a truly memorable Teej evening filled with joy, laughter and festive spirit!
